ST. LOUIS POLICE HOLD SUSPOSED ALBUQUERQUEAN

Says He Is Charles Thompson, Son of a Doctor Here; Suspected of Being Fugitive From Justice.

The local police department received an inquiry today from the police of St. Louis regarding a man who gives his name as Charles Thompson and claims Albuquerque as a residence. He is held at the city hospital under suspicion of being a fugitive from justice.

The letter describes Thompson as 26 years old, an architect and contractor. Chief Young of the St. Louis police says he has been advised that Thompson has been passing bad checks in this city and elsewhere.

Thompson is said to have told the St. Louis police that his father was a physician in this city, living at 22½ West Second street.

There is no West Second street in this city and the police have been unable to find any trace of a Dr. Thompson. Moreover, Chief of Police Graham can't say any trace of Charles Thompson, either with or without bad check references.

MAYOR MAY VETO LICENSE GRANTED FOR A SALOON

Announces He Is Opposed to Increasing Number of Barrooms; Says License So High Can't Make Living.

There was a strong intimation today that Mayor Westerfeld would veto the resolution passed by council last night giving a license to Lang Phoenix to conduct a saloon at 311 North First street. The mayor protested against granting the license when Phoenix' application was laid before council.

Residents of the neighborhood signed a petition in favor of the license. They said they had no objection to it.

The mayor announced himself opposed to increasing the number of saloons. He said the license was so high that the saloon men were not making a living.

The license was granted with Alderman Hammond, Tingler and Miller voting against it.

Alderman Clyde Tinsley called for a report on the resolution to close winterisms which he had before council at the first meeting. Alderman Switzer said the committee was not ready to report, but would report at the next meeting.

Torino Garcia's claim for \$145. On damage alleged to have been done due to overflow from the Harvey ditch was dismissed.

Neither the moving of the street switch nor the withdrawal of George Arant as a signer to the petition will prevent the paving of
